

CONVOY TO GAZA

End the siege – free Palestine

The **Palestine Solidarity Campaign** is organising a contingent on the Viva Palestina Convoy to Gaza, to break the illegal siege on Gaza which has led to 1.5 million people, living under Israeli occupation, facing starvation, deprivation, displacement and ongoing trauma on a horrendous scale. The convoy is due to enter Gaza on the first anniversary of Israel's bombing and invasion of Gaza — December 27th. Israeli forces killed over 1400 Palestinians in three weeks and created widespread destruction of essential infrastructure including homes, schools, hospitals and power plants. We will be taking much needed aid for the people of Gaza, and fostering links with Palestinians for solidarity work.

YOUR SUPPORT IS VITAL TO HELP US BREAK THE SIEGE
