BUY PALESTINIAN DATES!

DON'T BUY INTO ISRAELI APARTHEID! QUICK GUIDE:

- Check the label when buying dates. Don't buy dates that are produced or packaged in Israel or its West Bank settlements. Most Medjool dates sold in UK supermarkets are grown in Israel or in its illegal settlements.
- Don't buy Hadiklaim dates. Hadiklaim is the larger dates exporter from Israel and its settlements. It sells its dates abroad under these brand names: King Solomon, Jordan River and Jordan River Bio-Top, as well as under the labels of supermarket chains.
- Avoid these companies: Mehadrin, MTex, Edom, Carmel Agrexco, and Arava.
