DON'T BUY INTO ISRAEL'S OCCUPATION

A guide to boycotting Israeli dates

- Check the label when buying dates. Don't buy dates that are produced or packaged in Israel or its West Bank settlements
- Check the label on all Medjool dates. Most Medjool dates sold in UK supermarkets are grown in Israel or its illegal settlements
- Don't buy dates with Hadiklaim on the label. Hadiklaim is the largest exporter of dates from Israel and the settlements. It sells its dates abroad under these brand names: King Solomon, Jordan River and Jordan River Bio-Top, as well as under the private labels of supermarket chains
- Check the label for these export companies, which also export from Israel and the illegal settlements: Mehadrin, MTex, Edom, Agrexco, and Arava
