

ABOUT PALESTINE SOLIDARITY CAMPAIGN

Palestine Solidarity Campaign (PSC) campaigns for peace & justice for Palestinians, in support of international law and human rights and against all forms of racism.

- PSC is an independent and democratic organisation which represents people in Britain from all faiths, political parties and backgrounds, to campaign for Palestinian rights, including the right to self-determination and the right of return, and to oppose Israel's occupation and violations of international law.
- PSC works with students, faith groups, trade unions and many other campaigning, cultural and political organisations in Britain, Europe and worldwide and is opposed to all forms of racism, including anti-Semitism and Islamophobia.

■ PSC has been organising increasingly large lobbies in Parliament, mass demonstrations against the attacks on Gaza – with over 150,000 marching through central London in the summer of 2014 – building the BDS movement in the UK and raising public consciousness about Palestine in the UK.

With over 60 PSC branches around the country, PSC has successfully challenged mainstream media bias, created the widest network for Palestine in the UK, and is a key partner in the European and worldwide solidarity movement.

ABOUT PALESTINE

- The Nakba – “catastrophe” – in 1948 saw the forced expulsion of over 750,000 Palestinians from their homes and villages
- Since 1967 Israel has illegally occupied the West Bank, Gaza and East Jerusalem
- Now over 500,000 settlers live in illegal Israeli settlements built on Palestinian land
- Over 5 million Palestinians are refugees – exiled and denied the right to return
- With its checkpoints and the Wall in the West Bank and East Jerusalem, and its blockade of Gaza, Israel divides, segregates and imprisons Palestinians in their own land
- In 2014 Israel conducted their most violent attack yet, killing over 2,000 Palestinians in Gaza: three quarters were civilians and a third of the civilians were children
