

## **Matthew Pennycook, Labour – Greenwich and Woolwich**

I have visited the West Bank and have seen for myself the impact of the occupation on the daily lives of Palestinians.

As your MP, I have also raised concerns about settlements and settlement expansion in the Occupied Palestinian Territories using a variety of parliamentary mechanisms.

I think that some of the statements set out in the PSC pro forma email below do not easily lend themselves to simple yes/no answers and, as such, I don't intend to respond to each.

I'd be more than happy to discuss each issue with you at your convenience, either during or after the General Election campaign.
